(ADINA)

Adina (Empire Jewelers Inc.) is a 42 year old business specializing in wholesale new, estate and fine jewelry. EMPIRE is the largest wholesaler of jewelry from store close-outs, manufacturers buyouts and estates in Long Island, New York. We don't claim to have everything. But, what we do offer is at unbeatable true wholesale prices.

Diamond Grading

Accurate grading of diamonds is the most important factor when buying fine jewelry on ebay or anywhere else. It is the only way to accurately compare items. We strive to precisely grade each and every diamond we sell. Our diamond graders have been trained at the GIA. We use the GIA grading system when grading diamonds. We have seen many sellers substantially over grade diamonds thereby making it impossible to compare to others.

At Empire, we are consistently listing and selling new and exciting items ranging in price from \$100.00 to \$100,000.00. Please, look at our past and present auctions for great jewelry at true wholesale prices. We realize there is trust factor involved when purchasing such valuable pieces on the Internet, so please do not hesitate to ask questions or to ask for references. Keep in mind our 99.6% feedback rating includes many items sold for between \$3,000.00 and \$50,000.00. We offer the same high regard to quality and price, and the same assurance of accuracy in our descriptions, no matter what the item's cost.

Bank references available. We're Licensed and Bonded as well as being Certified appraisers. GIA trained gemologists on staff. Honesty, accuracy and wholesale prices are our main goals.
