Commander's Message

Depending on when you receive and read this Pilot, I hope you are looking forward to or enjoyed Thanksgiving with family and/or friends.

We had four students take ABC and pass the exam in November. Typically, we have higher enrollment in spring classes, especially for youngsters. There will be ABC classes in both Battle Creek and Kalamazoo in March or April. Check out the other available classes on page two.

I hope to see many of you at the KSPS Holiday party on Friday 3 December at the Beacon Club.

Change of Watch will be occurring on Tuesday 11 January. Details are coming soon including the Nominating Committee's slate of candidates.

Merit Marks Awarded for 2010

One merit mark is earned per year for service to the squadron or district. Each squadron submits a list of candidates for merit marks to the area monitor indicating the type of volunteer service, such as serving on the bridge or an active committee, working on an event, inspecting boats or teaching a class. If you did not earn a merit mark, but would like to, please resolve to get more involved this coming year. USPS has final say and approved all but three of the KSPS members submitted for review.

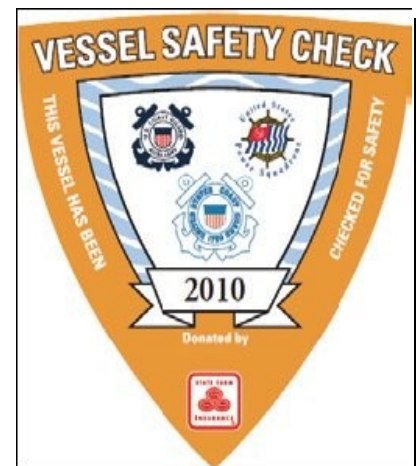

The following persons were awarded a merit mark for 2010: Gary & Lyn Bleyer, Bob Boyce, Phyllis Buskirk, Wally Corder, Tique Crespo, George Gerpheide, Ron Gustafson, Chris & Diane Hansen, Gail & Harold Hladky, Robert Landeros, Dan & Sue Livingston, Janice & Scott Pauley, Dan Seng, Maris & Bill Soule, Karen & Nils Strand, George Tyler, and Lois Whitmore.

Vessel Safety Checks for the 2010 Boating Season

Total VSCs performed = 42
Total passing VSCs = 40
Total VSCs rechecked and passing = 1
Bob Boyce performed the most VSCs at 15

Thanks to Vessel Examiners Bob Boyce, Nils Strand, Harold Hladky, Bill Soule and Dan Livingston who volunteered their time to make boating safer!

Crossing the Atlantic Ocean; Sailing the Baltic and Aegean Seas

Our speaker for the November meeting was Robert Weir, author, consultant, coach and sailor. He shared his sailing adventures from last spring and summer 2010, putting together a beautiful PowerPoint show of his experiences aboard the five-masted tall ship Royal Clipper, the three-masted sail training vessel Kaliakra, and ferry-cargo ship, the Translubeca. Our group loved the mix of descriptions of ship details and tales of fellow passengers and crew. Robert is a delightful, animated speaker whose enthusiasm energizes his audience.

The Royal Clipper sports five masts that carry 42 sails and 56,000 square feet of cloth. At 439 feet long, with a beam of 54 feet, it is the largest full-rigged tall ship on the seas. For more details visit [Royal Clipper](http://RoyalClipper.com) or RobertMWeir.com

On his cross Atlantic trip, Robert left Barbados 10 April, arriving eleven days later in the Azores. He disembarked 26 April 2010, at Malaga, Spain.

The Royal Clipper is a cruise ship with a three-tier atrium including a piano bar and lounge on the top deck, companion way with murals on deck two, and a full-service dining room on the lower deck at sea level. Only six of 106 cabins are inside.

The 3-masted sail training vessel Kaliakra

Robert Weir also shared photos and adventures from his time aboard the three-masted sail training vessel Kaliakra. Volos, a recreational port on the Aegean Sea, was the starting point for the Historic Seas Tall Ships Regatta.

Tom Rau
www.boatsmart.net

Sad news, Tom Rau, USCG Senior Chief retired, passed away 3 November. He is author of "Boat Smart Chronicles" and maintained a web site that contained many of the articles he has written over the past 25 years about Coast Guard rescues and boating safety.

Those wanting to remember Tom are asked to consider a gift in his memory to the Chief Petty Officers Association or the Salvation Army. Make check payable to Grand Haven Chapter of CPOA, 15268 Canary Dr. Grand Haven MI 49417.
