Commander's Message

Leaves are beginning to turn here in Southwest Michigan and many have either pulled their boats from the water for the season or are hoping for a few more nice days. The **D9 Fall Conference** is less than a month away (**26-28 Oct**). We are contemplating decorations for the Friday night "Shores of Paradise" and the Saturday night "Islands" themes. The hotel has an indoor waterpark open from 9 am until 10 pm, so if you have kids or grandkids, bring them along. D9 Kids Crew available —contact Linda Lumpkin at 586-218-9255 by 5 Oct. It features a zero-entry ADA compliant swimming pool with full time lifeguards on duty, three story waterslide, lazy river, vortex, bubble seats and geysers, two large whirlpools, indoor running track, locker rooms with saunas, fitness center, video game arcade, and poolside snack bar.

*KSPS Commander
Lyndell R. Bleyer*

Don't forget to register for the optional Saturday luncheon and/or dinner. Form is on the D9 website at http://d9-usps.org/files/2012_D9_Fall_Conference.pdf When booking a hotel room if you plan to stay over Friday or Saturday nights, be sure to mention USPS D9 Conference to get the special per night price of \$89-99. The Best Western Sterling Inn, Toll Free: (800) 953-1400 · Phone: (586) 979-1400· Fax: (586) 979-7962 / Email: Reservations@SterlingInn.com **Directions:** Take I-94 East to North I-75 to East 696. Go North on Van Dyke Avenue 4 Miles to 15 Mile Road. Best Western Sterling Inn is located at 34911 Van Dyke Ave. on the Southwest corner of Van Dyke Avenue and 15 Mile Road.

Two KSPS members retire

On Thursday, July 19, the Battle Creek Shopper ran this photo of Senior Health Partners Director Linda Grap, giving Jane Chappell a retirement gift during her party at Burnham Brook Center. Jane, an RN, has been providing health care to patients for 58 years.

Jane regularly teaches the first aid and health components for KSPS classes.

Also this summer, Nils Strand retired from the Federal Center in Battle Creek. Nils is our treasurer and teaches ABC in Battle Creek. Congratulations to both.

Current & Upcoming Classes

A **New 2012 law** requires persons born after June 1996 to pass a boating education class and carry the certificate on board to operate a boat motor greater than 12 hp. This year it's everyone age 16, by 2020, it's everyone 24 and younger.

To operate a PWC, persons born after 1978 must carry the boating certificate. No one under 16 may operate alone. The ABC and the DNR classes both qualify.

ABC America's Boating Course Starts Monday Oct 1
Next ABC class in Kalamazoo runs 5 Mondays beginning on October 1st at Milwood Magnet School on Konkel. However, if you know someone who wants to learn now, have them go to www.usps.org where they can study online for \$39.95, then take the test proctored by KSPS. They need to call Wally a few weeks before they want to take the test, so the exam can be ordered.

Seminars are short 3 to 4 hour overviews of boating topics like weather, GPS, Anchoring, etc. Detailed descriptions of seminars at www.ksp-usps.org under education. Contact Wally Corder 269-365-3398 if interested in a class or seminar.

Next Meeting - Tues. Oct 9

Merit Marks are due by 31 October

A "merit mark" (MM) is awarded by the USPS chief commander for substantial personal effort in furthering the interest, programs and objectives of USPS, its districts and squadrons. It is a coveted award; it is by and large the only official recognition members receive for their efforts. While you can only earn one merit mark per year, those who started young and acquire 25 merit marks earn "Life Member" status, which eliminates their yearly dues.

Many of us joined too late in life to be members for 25 years, but we can still earn Merit Marks.

Our Merit Mark Committee - Tique Crespo, Karen and Nils Strand, review your lists and submit them to USPS, who has the final decision. Turn your list into Nils Strand, either by mail to 215 Dogwood Trl., Battle Creek 49017-5221 or by email to karenstrand@sbcglobal.net

Your list should include 1) your name, 2) brief description of activity, and 3) approximate date and hours. The following are examples of activities that count. I have included dates in parenthesis to help you get started.

Teaching two sessions of ABC or the state approved DNR class for kids (Wally or Harold's class: Feb 27 to Mar 26, Nils' class: Mar 22 - Apr 26, Wally fall ABC Oct 1-29) Mentoring, proctoring exams (4 sessions), teaching other classes or seminars also count. Volunteering at

squadron events such as the Portage Family Fish Fair (May 19), Greater Galesburg Parade (Jun 16). Nat'l Wear Your PFD photo event (May 19), Gull Lake VSC Day (Jun 9), Boats & Brats VSC day (23 Jun), VSC MM minimum = 10. USCG Parade (Aug 4), USPS Gov Brd (Sep 4-9), D9 Spring or Fall Conferences, writing articles, doing a presentation. Serving on a KSPS or D9 committee, serving as an Executive or Bridge Officer. If you are not sure what counts, ask Karen, Nils, Tique or any member of the KSPS Bridge. See <http://www.usps.org/newpublic2/meritmarks/criteria.pdf>

Rules Committee revises Bylaws

Our Rules Committee, Phyllis Buskirk, George Gerpheide and George Tyler, Jr. have been busy this past spring and summer. It has been quite a while since we revised our squadron's bylaws. The committee began by reviewing the "standards" for bylaws at the USPS website and comparing that to ours.

National has realized that smaller squadrons need to be more flexible to allow those willing to volunteer to serve more than one consecutive term and reduced the number of required committees, activities and reports. Some of those no longer required duties are marked "reserved", so they can be added back if the squadron grows and wishes to take on more responsibility.

The Rules Committee first presented its findings and recommendations at the August Executive Committee meeting, and again at the September General Meeting, where the new KSPS Bylaws were approved with the only change being one comma to add clarity to a sentence. Thank you Phyllis, George and George for a job well done.

Winterizing Tips by Fred Spiegelberg

Topside & Deck Rigging Examine your sailboat's standing rigging for wear on shrouds, blocks and tackle. Repair or replace as needed. Safety lines can fray and railing stanchions can come loose, so carefully inspect and repair as needed.

Exterior finish Check gel coat and paint for cracks and wear. Check caulking around hatches and portholes. Clean and, if needed, wax the boat's topside and hull. Wax lasts longer in cool weather.

Mechanical equipment If you don't use your anchor regularly, the heavy oil in the anchor winch gear box can break down in the summer heat. Changing the gear box oil helps ensure that your winch won't be frozen when you need it.

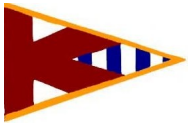

Safety equipment Check the expiration dates and overall condition of all safety equipment, including flares and fire extinguishers. Examine all personal flotation devices for damage and wear. Discard and replace worn or damaged life jackets. Replace old charts with up-to-date versions.

Bottom paint and zincs Examine bottom paint and sacrificial zincs after hauling.

Water tanks Clean and sanitize your boat's water tank according to the manufacturer's recommendations.

Oil Once broken in, most boat engines get about 200 hours or one year on an oil change. Fall is a good time to change the oil, because dirty oil can corrode your engine if left sitting in the sump all winter.

Final reminders While changing the oil, clean the engine room, check batteries for corrosion, and examine belts, filters, pumps and other small but important pieces of equipment that are often overlooked until they fail.

Calling for Roster Updates

It's been a while since we distributed a printed copy of the KSPS roster. We are in the process of updating and need any changes you would like included. If you have a new email, phone number or postal address - those are critical to keeping you in the loop. We also like listing the name of your boat, sail, power or paddle and whether you trailer or have a favorite home port. Please send updated information to: Bleyer@wmich.edu or call Lyn at (269) 731-5601.

Here is an update to note in the roster you currently have: Since Nils has retired, his work email is no longer valid. Email Attn: Nils at karenstrand@sbcglobal.net His home phone remains the same, but his cell is now (269) 967-3821

Nominating Committee needs you

The KSPS Nominating Committee (Harold, Bill and Gary) is looking for people willing to serve as an elected member for the Rules, Auditing, Nominating or Executive Committees or as a Bridge Officer. Be pro-active, call or email Harold if you currently serve and are willing to renew your term, or if you are interested in getting involved.

Committee members help make the decisions that guide our squadron. Committee recommendations are often accepted as presented at Executive and General meetings.

If you're not sure what a committee does look in the Operations Manual or ask a current committee member (roster). It's a great way to get to know other squadron members. Email: Harold.Hladky@wmich.edu or (269) 274-1995
