

"A Customer First Company" November 2019

Welcome to the
November 2019 Edition of
"On the Move"

K&K Administration Changes

Recently K&K has made some changes in their team. We are happy to announce that Keith Trent, Jr. is now a part of the Executive Team of the company. We can't thank Keith enough for all he has previously done as the Logistics Coordinator and we can't wait to see how he continues to support the company in his new role.

With that said we just received some great feedback concerning our new Logistics Coordinator from Marcus Smoot who wrote the following ...

Just a quick note of thanks! KJ was absolutely fantastic this week in getting a tire looked at and fixed on our 052 Van!

It's truly a blessing to know we have such a great service and a caring team!

Thank you, Marcus Smoot, for the comment and feedback.

The referenced job was performed by our new Logistics Coordinator, Lonnie Oxendine.

Join us as we welcome Lonnie to the K&K family and celebrate Keith Jr.'s new role.

Travel Times to Triple the Day Before Thanksgiving in DC Metro Area and Nationwide

More drivers will be hitting the roads for Thanksgiving this year, according to AAA forecasts. In the DC Metro area alone AAA is expecting 4 million people to travel from the region.

In the D.C., a little over 1.3 million people will be traveling more than 50 miles from home for the holiday, with about 1.2 million traveling on the road. The area roads will be filled to capacity, especially on Wednesday, November 27th.

AAA is estimating that from 3 p.m. to 5 p.m. Wednesday, Nov. 27, the day before Thanksgiving, will be triple the usual time for that two-hour window on a Wednesday in the DC area. Traffic will begin to increase on Monday of Thanksgiving week, and drivers can expect the most congestion during the early evening commute period.

Nationwide, this year will be the 2nd highest Thanksgiving travel day since AAA began tracking in 2000. AAA is advising drivers to make sure to get necessary maintenance done before heading out, and remember to slow down and move over for stopped emergency vehicles at the roadside.

A Word of Caution from One of Our K&K Riders During This Holiday Season

A member of the K&K Family, Charleen Trooter, recently sent this email advising everyone to take caution during the upcoming holidays...

The holiday season is always a special time of year. It is also a time when busy people become careless and vulnerable to theft and other holiday crime. We can never be too careful, too prepared or too aware. This morning we arrived at our van to start our normal morning commute only to find that we had no gas in the tank, the tank was completely empty.

*A completely full tank of gas was stolen by climbing under the van, cutting the fuel line an draining the tank (See attached Photos). Which leads me to believe we were being watch and the perpetrator(s) new our schedule. If it can happen to us it can happen to you **BE CAUTIOUS**. You never know who could be lying in wait in the wee hours of the morning, this time it was gas, next time...*

Thank you Charleen for sharing this and for reminding all of us to take caution during this time of the year.
