

3' Slim LED Shop Light

42 Watts 3200 Lumens

The ETi 3' Slim LED Shop Light produces 3200 lumens of high quality, bright white light (4000K CCT) that's perfect for detailed tasks. Plus, its slim profile makes it ideal workshop lighting or workbench lighting, for even the smallest space.

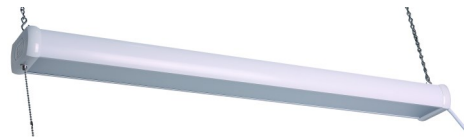

This Energy Star certified LED fixture uses 25% less energy than a comparable fluorescent work light – only 42 watts of input power gives off the same brightness as 50 watts of fluorescent light. Designed for long life – 32 years or 35,000 continuous hours of use, there are no light bulbs to replace.

Because this LED work light starts reliably to -4° F (-20° C), it is perfect for cold environments too. cULus listed for use in damp locations. Warranty 5 years.

KEY FEATURES & BENEFITS

- 42 Watts — Low Power and High Performance
- 3200 lumens
- 4000k CCT
- cUL Rated for Damp Locations
- Replaces most applications using 2-light T8 fluorescent lamps
- Rated life 35,000 hours

FIXTURE DIMENSIONS

SKU# 54254142

Length = 36"

Width = 4"

Height = 3"

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. For FCC Part 15 user information, please see www.etiled.us/fcc15b

This light source meets restrictions on hazardous substances.
