DESCRIPTION

The L515B track fixture is stylish enough to grace any high end residence, yet powerful and efficient enough to illuminate commercial, hospitality, and retail spaces. Dimmable, with color temperatures ranging from 2700 to 4000 CCT, and a color rendering index of up to 93, it can accurately render the colors of museum-quality pieces.

FEATURES

- 330° horizontal and ±90° vertical aiming (Vertical aiming indicator marks every 15°, and lockable with 1.5mm hex key)
- Ultra-tight 3-Step Macadam binning
- Replaceable LED modules
- No-tool, field changeable reflectors
- Smooth and continuous ELV dimming
- Free of projected IR and UV radiation
- All die-cast aluminum construction
- No exposed wiring

† Exceeding the operating temperature values may damage the LEDs by reducing the lifespan, lumen output, and/or adversely impact color consistency. It is recommended adequate air flow and heatsinking be taken into consideration in the installation and application of this product. Improper thermal management may lead to premature product failure and void the warranty.
